- A. Scott Malsin; Field Representative, Assemblymember Ridley-Thomas . Mr. Malsin stated that he represented Assemblymember Ridley-Thomas of the 54th Assembly District, in the WNC area, the Western part of the district. He came to introduce himself and seek outreach from the community. His office is located in Culver City, and he can be reached at scott.malsin@asm.ca.gov. He really is interested in how to make a difference in the quality of our lives. Board members commented that Mr. Ridley-Thomas did not reach out to the WNC. Mr. Malsin asked that the WNC send him a request and he will contact Mr. Ridley-Thomas's scheduler.
- B. Adrienne Omansky, guest of Councilmember Paul Koretz on behalf of Senior Fraud Awareness Day. Ms. Omansky briefly discussed what the seniors on the Westside do to outreach seniors, particularly in the area of senior fraud. She invited the stakeholders to Senior Fraud Awareness Day on May 15, 2014 at the Felicia Mahood Senior Center. These active seniors have been making presentations to the elder community of issues that strike elders, and in particular senior scams. They get their point across through skits and presentations. Work with police and district attorney's office. Jackie Lacey DA was scammed just a few months ago. Problem: seniors embarrassed to tell they've been scammed. Karen Bass will be there. Both CD5 and CD11 councilmembers will be there. The Dept. Of Consumer affairs will be there. Ms. Burns noted that her mother was a member of this senior troupe, and their skits and presentations are a great asset to the senior community.
